

ADOPT-A-BIRD

Alaska WildBird Rehabilitation Center’s mission is to care for injured, orphaned and sick wild birds with the goal of returning them to the wild; and to educate the public about these birds and their native habitats.

Symbolically adopt one of our education bird ambassadors to help provide operational costs including bird food, housing and medical supplies. All donations are tax deductible.

Receive regular newsletters, and a story with photo of your chosen bird. Donors at the Hawk level will also receive a beautiful porcelain ornament with a photo of your chosen hawk, and at the Owl level a gift of 4 coasters with photos of our education owls. At the Eagle level we will provide 2 tickets to our next annual autumn fundraiser.
